

Project Youth Extension Service Internship Program

Project Y.E.S! is a national internship program engaging college students in service to meet the needs of military families. Specifically, Project Y.E.S! expands the resources of the Yellow Ribbon Program (YRP) and other youth & teen-oriented programs. Project Y.E.S! interns are provided first-class youth development educational and facilitation skills. In turn, they travel the nation delivering youth programs to a variety of YRP and other family programs. Project YES! also serves as a career development program. Full year Staff interns are provided dedicated mentors who assist in the exploration and development of their career goals and in the completion of a career broadening learning project.
