CALLING ALL PUMPKIN CARVERS!

It's that time of year again, fall fun will be starting up at Mystic Aquarium with **Sea Scare** being bigger and better than ever! We would like to invite 4-H Club members to participate and carve some great pumpkins for display during our two night signature event!

Mystic Aquarium transforms into a boo-tiful spectacular with decorations and kooky happenings. *Tails of the Deep* returns where belugas and seals bring some blockbuster favorites to life – prepare for a force to be reckoned with and some roaring fun. Enter the Foxwoods Marine Theater where, just before toxic sludge threatens to destroy the environment, the Eco-busters save the day in a very unconventional way. Trick-or-treat your way through Exploration: *Wild!* Finally, show your spirit during our Monster Mash in the Main Gallery and dance to live entertainment. Say 'boo!' to costumed divers as they swim with the fishes and plays tricks on ghouls, goblins and ghosts of all ages. Enjoy family fun and a few more treats during Sea Scare at Mystic Aquarium!

We'd love to have 4-H members from Connecticut and Rhode Island to take part in this fun event and create an amazing display of pumpkins, and for every pumpkin, you will get a **FREE admission ticket** to attend one of the nights of Sea Scare!
