The Norwich Teen Leadership Council, sponsored by Norwich Youth and Family Services and Norwich free Academy Project outreach program are still accepting applications till Monday at noon for our Leadership Program.

The Teen Leadership Council is an intensive program that teaches participants communication skills, problem solving skills, negotiation skills, coalition building, grant writing, and staging media campaigns, to name a few of the skills. This program emphasizes practical knowledge. While the students are learning the skills, they are also utilizing the skills to develop the community service project of their choosing.

By the end of this 7 week program the teen participants must develop, plan, fund, and execute an ambitious service learning project. Through this process, the participants become more educated of the issues within their community, as well as the resources to deal these issues.

Program Kick-off will include a 4 hour retreat to be held at Norwich Free Academy on November 15th, 2016 Meetings will be held for 6 consecutive weeks following that on Tuesdays from 3-4:45pm at NFA

All high school students attending high school, or residing in Norwich are welcome to apply.

To apply, or for further information, please contact Ms. Vara, at Project Outreach, or Angelo Callis at 860-823-3782.

Angelo Callis, LMFT Coordinator, Norwich Youth And Family Services,  
80 Broadway, Norwich, CT 06360

## The UConn Dairy Club is holding their Cabot Cheese Sale Fundraiser now!

Please see the attached form for a variety of Cabot products that can be purchased through the Dairy Club fundraiser. Great gift ideas for the cheese lovers on your holiday list!

**Order forms are due by email by November**

**28<sup>th</sup>!**

### Did You Know?

The UConn dairy herd is one of the many members of the Cabot Cheese Cooperative. The milk produced by the UConn dairy herd goes into the products that Cabot makes. By purchasing Cabot Cheese products, you are supporting the UConn dairy herd and the Department of Animal Science!

**Questions?:** Please contact and send your order forms to Cristian Mortali by email ([Cristian.Mortali@UConn.edu](mailto:Cristian.Mortali@UConn.edu)).

### Equine Wearable Technology Survey

This survey contains a few questions about wearable technology for horses and riders. Regardless of how you are involved with horses, we would love your feedback. This should take no longer than 5 minutes. Thank you in advance for your time and insights!

Please share the following with interested families:

**A Hartford County 4-H Alum is looking for a home for 6 Nigerian goats.**

Three females and 3 wethers. Two of the females could be shown and/or bred. They have everything a family would need to care for the goats and would like to sell everything as a package if possible. If six is too many goats for one family, they could be split into two groups:

- 1) One male and one female (female could be bred)
- 2) Two males and two females (one female could be bred)

The family also has a milk separator for sale for \$250.

Please have any interested families contact Scott at [n1st@yahoo.com](mailto:n1st@yahoo.com)
