Clubs and Individuals Welcome!

Good morning,

I am contacting you in regards to Tractor Supply's 4-H donations. You helped my farm (Out of Thyme Farm) with donations to 4-H and I would enjoy working with you again. April 26th starts our 4-H clover donations that helps us raise funds for 4-H, this will run until May 7th.

We would like to invite your 4-H Clubs to come by our store during the upcoming Paper Clover event. This will help our customer gain knowledge about the 4-H program and our donations increase by more than 40% when there are clubs in the store.

You can fundraise on your own at our location or set up a table and help us sell clovers. If you have any ideas we would love to hear them. In recent years clubs have had little to no interest in participating at our event, this is unfortunate because my team is motivated this year to sell more clovers than any other Tractor Supply.

In addition to helping raise more money for your county program, if you or any club member participates in store, you'll be eligible to enter our Paper Clover Participation Sweepstakes. This spring, 75 participants will be selected to receive a \$100 TSC gift card.

If you would like to participate during our Paper Clover Event you can register online at www.tractorsupply.com/4H , contact me at (860)376-0198, or simply reply to str0167@TractorSupply.com

Thank you for your time,

Robyn Zenker
