Ballroom/Social Dancing for Beginners: This class is designed for the complete novice so if you have ever wanted to learn but were intimidated this is the perfect opportunity. You will have a good foundation for dance at the completion of this class. Come learn the Merengue, Waltz and Rumba. No partners required. Please wear non rubber soled shoes.

Romantic Nightclub Slow Dance for Beginners: This dance is becoming a popular social dance which is ideal for weddings, proms and special occasions. It somewhat resembles the Bolero which is known as the Latin Waltz. It is also called Nightclub Two Step but it is not a country dance and can be done to a variety of music genres. It is now entering Ballroom venues and is much easier to learn with a ballroom dance experience though it is not required. No partner necessary. Please wear non rubber soled shoes.
